victoradesola8@gmail.com

Portfolio: <https://dan-victor.netlify.app>

## Professional Summary

Creative and detail-oriented Frontend Developer & UI/UX Designer with hands-on experience building responsive, accessible, and visually compelling websites and applications. Skilled in translating user-centered designs into high-performing, interactive web experiences using HTML, CSS, JavaScript, React, Tailwindcss, TypeScript, Sass, and Figma. Experienced in the full design-to-code pipeline—from wireframes and prototypes to clean, scalable code. Strong collaborator with a passion for delivering pixel-perfect design and intuitive user experiences.

## Work Experience

### Frontend Developer (Intern)

- Netwalker NG (Remote) — Sep 2024 – Jan 2025
- Developed responsive web interfaces using HTML, CSS, JavaScript (no frameworks).
  - Ensured cross-browser compatibility and mobile responsiveness.
  - Integrated EMR APIs to securely display patient medical records and prescriptions.

### Frontend Developer & UI Collaborator (Intern)

- Flexisaf (Remote) — Sep 2024 – Jan 2025
- Translated Figma designs into functional UI with React, Sass, and JavaScript.
  - Wrote unit tests with React Testing Library.
  - Collaborated with design and development teams to refine UX and ensure visual consistency.

### Freelance Frontend Developer & UI/UX Designer

- Lagos, Nigeria — Oct 2023 – Present
- Designed wireframes, mockups, and high-fidelity prototypes using Figma.
  - Built responsive, performance-optimized websites using React, Tailwind CSS, and JavaScript.
  - Deployed projects on Netlify, Vercel, and GitHub Pages with SEO best practices.
